¹ All programs culminate in a bachelor's degree.

² Includes base salary and any additional taxable compensation. Graduates who are employed in education-related positions prior to graduation generally earn more than graduates who accept new employment after graduation.

³ Excludes graduates continuing their education, foreign graduates legally ineligible to work in Canada/the United States and those unable to accept career advising assistance because of extreme circumstances such as military deployment, national service, participation in a religious mission, incarceration, critical illness or death.

⁴ Excludes graduates who actively pursued employment for less than 180 days and did not become employed.

⁵ Offered at DeVry Calgary and falls under the accreditation of DeVry University (Arizona) as an off-site instructional location.

Note: Statistics for graduates of new programs that do not have graduates yet will be available approximately six months after the first classes graduate. Information presented is based on graduate-provided data.

We're always here for you.

Career Services professionals across the DeVry system work diligently to help graduates attain positions in their career fields. Although DeVry cannot guarantee employment, we're dedicated to helping guide and motivate our students and graduates through the career process. We work with them on career planning, job interviewing and resumé preparation. Students' career efforts are also supported by an employer database containing information on national and local companies, and virtual and onsite Career Fairs held periodically to enable our students to meet and network with recruiters of DeVry graduates. As a student at DeVry, you'll have the opportunity to work with one of the most dedicated career services teams in education.
