DeVry University Degree Programs CIP Codes and STEM Degree Designation for F-1 Students

The list below provides the CIP code for the current degree programs at DeVry University and its Keller Graduate School of Management available to F-1 visa students and indicates whether the U.S. Department of Homeland Security, for purposes of Optional Practical Training (OPT), designates the degree program as a STEM degree program for F-1 visa students.

F-1 visa students who have completed a designated STEM degree may be eligible for a 24-month extension of their available Optional Practical Training time.

Degree Level	Degree Program Name	CIP Code	STEM Designated
