*Any occupation credit that awards over 30 hours of credit may have the ability to be awarded additional credits, full credit may not be given to some courses due to the limitation of occupational credits. Please submit individual smarts official transcript for review.

** Military Credit Earned: Indicates at what pay grade credits are earned, as indicated above, all credits currently applied to this degree are earned at the E4 level. *** CLEP/DANTES/AP: Which CLEP, DSST, or AP exams could be applied to a particular class.

***Notes: Indicating which ACE Recommended credits were applied to a particular course.

**** DeVry University has developed this "road map" to provide students with general guidance to assist transferring from Navy College to DeVry University. Admission and transfer credit applicability are subject, but not limited to DeVry University's admission requirements, program requirements, and academic policies, including but not limited to the external transfer credit policy.

Please see a DeVry University admissions representative to request a transfer credit evaluation. Transfer credit is considered on an individual basis and awarded only upon receipt of an official transcript.

Important information about the educational debt, earnings, and completion rates of students who attended DeVry can be found at www.devry.edu/btm-ge.
