Bachelor's Degree Program Management

Specialization: *Hospitality Management*

ABOUT THIS SPECIALIZATION

DeVry University's Bachelor's degree in Management can help prepare you for the workplace with a solid business foundation. Our specialization in Hospitality Management can further focus your studies and help equip you for the career you want to pursue.

The field of hospitality management is diverse, spanning lodging and gaming, restaurants and tourism, and meetings and events. Our curriculum can help provide you with the skills to best pursue the breadth of available opportunities within the hospitality field.

Our specialization explores the operations and day-to-day managerial challenges and responsibilities within hospitality management. Students can learn the particulars of meeting and event management which can include venue selection, staffing, sponsorships, finance and exhibit coordination. As a student, you can study the operational and managerial practices in new and established restaurants, as well as the fundamentals of food safety. Our curriculum introduces you to the operating conditions and management responsibilities in casinos and related properties and services. In addition, you can become familiar with the many aspects of the tourism and hospitality industry. As a graduate, you can be prepared to work as a hospitality manager in a variety of settings.

Graduates of DeVry University's Management program with a specialization in Hospitality Management may consider careers including:

- Casino Operations Manager
- Customer Service Representative
- Event Planner
- Hotel and Restaurant Operations Manager
- Meeting and Convention Planner
- Retail Store Manager
- Tourism Operations Manager

According to the Bureau of Labor Statistics, employment of lodging managers is expected to grow by 5 percent from 2008 to 2018, for all occupations. According to its *Occupational Outlook Handbook*, "larger full-service hotels, including resort, casino, and convention hotels that provide a wider range of services to a much larger customer base will continue to generate job openings for experienced managers and management trainees."¹
