

# STUDENT HANDBOOK ADDENDUM

## ALL ILLINOIS LOCATIONS

This document constitutes an addendum to DeVry University's Student Handbook and contains certain requirements from the Illinois Preventing Sexual Violence in Higher Education Act (110 ILCS 155/) related to sexual violence. DeVry's full Sex and Gender-Based Misconduct Response and Prevention Policy can be found [here](#).

### Confidential Advisors

Students may choose to consult with a confidential advisor. Confidential advisors are specifically trained to provide support to survivors of sexual violence or those who know a survivor. They are available to answer questions, provide information, and help navigate options available at DeVry as well as in the community. They can fulfill their reporting requirements by making general reports for statistical purposes and pattern tracking but do not divulge personally identifiable information. Communication with the confidential advisor is confidential in all circumstances, except when imminent risk of serious physical injury or death of the victim or another person could result or where reporting is required under federal, state or local law.

DeVry has partnered with the YWCA to provide confidential advising. The YWCA can be reached at 888-293-2082.
