

Transfer Credits from Columbus State Community College

Effective from May 13, 2021 to May 12, 2024

DeVry University has developed this Degree Program Transfer Guide to assist students transferring from Columbus State CC to DeVry. This guide doesn't represent all courses required for DeVry programs; rather, it provides a list of courses that, when completed at Columbus State CC, may transfer to DeVry. For a complete list of course requirements in each DeVry program, please see the [Academic Catalog](#).

This guide is based on a review of Columbus State CC courses by DeVry as of 5/13/21 and is subject to review and modification at any time and without prior notice. Limitations and restrictions may apply.

The technical management bachelor's degree program is included in this guide.

Process

Applicants seeking to transfer credit must:

1. Request a formal credit evaluation prior to beginning the first class at DeVry University; and
2. Provide to DeVry an official transcript from the institution where the credit was earned.

Please see a DeVry University admissions representative to request a transfer credit evaluation. Transfer credit is considered on an individual basis and awarded only upon receipt of an official transcript.

Limitations and Restrictions

Admission and transfer credit applicability are subject but not limited to DeVry University's admission requirements, program requirements, and academic policies, including but not limited to the external transfer credit policy. Additional state-specific requirements for transfer credit acceptance may apply.

Please note the following:

- A grade of C (70%) or higher is required for all transfer credits to DeVry University. Courses accepted in transfer may not be applicable to the academic program chosen by the student.
- The number of credits granted for any course equivalency may not exceed the number on the transcript associated with the transfer course.
- Curriculum changes at either institution may affect transferability and applicability of certain credits. A time limit may be imposed on the ability to transfer credits for some courses, especially those in technical or evolving areas.

The provisions of this transfer guide do not constitute a contract, expressed or implied, between any applicant or student and DeVry University. The information contained herein is neither an award nor a commitment to award credit at DeVry University.

In New York, DeVry University operates as DeVry College of New York. DeVry University is accredited by The Higher Learning Commission (HLC), <https://www.hlcommission.org/>. Keller Graduate School of Management is included in this accreditation. DeVry is certified to operate by the State Council of Higher Education for Virginia. Arlington Campus: 1400 Crystal Dr., Ste. 120, Arlington, VA 22202. DeVry University is authorized for operation as a postsecondary educational institution by the [Tennessee Higher Education Commission](#). Nashville Campus: 3343 Perimeter Hill Dr., Nashville, TN 37211. Program availability varies by location. In site-based programs, students will be required to take a substantial amount of coursework online to complete their program.

Sample Notes

Courses in italics must be taken at DeVry.

All course selections, as noted in bold, must be upper-division (e.g., 300-400 level) to meet the 42 credit hours of upper-division coursework requirement.

*Students must select BMTG2550 as one of their technical electives to receive credit toward the bachelor's degree.

~Students must take ESSH1101 rather than a humanities course as the general education course to receive credit

^To meet the 42 credit hours of upper-division coursework requirement, students take one of the following: HUMN303, HUMN451, HIST405, HIST410, LAWS310, or POLI330.

^oThe minimum credits required to award the degree is 122. Students following this plan earn 123 as needed to satisfy the 42 credit hour upper-division coursework requirement.

Technical Management Bachelor's Degree Program			
DeVry Courses		Columbus State CC Courses	
Communication Skills			
• ENGL112	Composition	• ENGL1100	Composition I
