

PROJECT MANAGEMENT

ABOUT THIS DEGREE PROGRAM

Keller's Project Management graduate certificate program helps students develop the knowledge and skills needed to create effective project plans that incorporate risk analysis, cost control and performance objectives. Coursework helps students understand how to plan, budget and control multiproject programs that may involve legal and ethical issues.

The certificate can be earned as a standalone credential, credits from which are transferrable to the Project Management concentration in the Master in Business Administration (MBA) program pathways or the Master in Project Management program.

CAREER OPPORTUNITIES

Graduates of DeVry University's Project Management graduate certificate program may consider, but are not limited to, the following careers:

- Project Specialist
- Program Manager
- Project Manager
- Project Coordinator
- Supply Chain Managers
