ABOUT THIS DEGREE PROGRAM

A FOUNDATION IN BUSINESS
This program features a series of essential Business Core courses to help build interdisciplinary skills critical to workplace success. These courses introduce students to key disciplines that support business careers and cover concepts related to general business principles, including accounting, marketing, management and the analytic skills that inform business decision-making.

The Business Core coursework introduces students to contemporary workplace applications. In each course, the learning experience is enhanced through activities that help students apply the course material, while shaping future education and career choices.

A PROGRAM TO FUEL YOUR FUTURE
Build toward an exciting career with a foundation of business and management skills, and a specialization in sales and marketing. This program provides an overview of the concepts and strategies that drive modern business. It also offers in-depth studies to prepare you for success in sales and marketing, including roles in digital marketing, public relations, social media and advertising. You'll study a range of topics in a global context from market research and consumer behavior to product development and product management.

IS THIS PROGRAM FOR YOU?
Interested in sales, marketing and business? Then this program might be the right fit for you.
