BACHELOR'S DEGREE PROGRAM | BUSINESS

MANAGEMENT

Specialization: Small Business Management and Entrepreneurship

ABOUT THIS DEGREE PROGRAM

A FOUNDATION IN BUSINESS BUSINESS CORE

This program features a series of essential Business Core courses to help build interdisciplinary skills critical to workplace success.

These courses introduce students to key disciplines that support business careers and cover concepts related to general business principles, including accounting, marketing, management and the analytic skills that inform business decision-making.

The Business Core coursework introduces students to contemporary workplace applications. In each course, the learning experience is enhanced through activities that help students apply the course material, while shaping future education and career choices.

A PROGRAM TO FUEL YOUR FUTURE

Students who elect the Small Business Management and Entrepreneurship concentration experience an immersive sequence of coursework covering customer relations, entrepreneurship, e-commerce, product development and creating a comprehensive business plan.
