# **ACCOUNTING & FINANCIAL MANAGEMENT**

**Emphasis: General Accounting** 

## **ABOUT THIS PROGRAM**

The Master of Accounting & Financial Management (MAFM) program emphasizes coursework – taught from the practitioner's perspective. Students pursuing this program will explore topics such as accounting, auditing standards and financial accuracy. This program is ideal for students interested in developing the skills necessary for a career transition to the field of accounting or finance.

The general accounting emphasis includes career-focused coursework designed to prepare students for a variety of professional fields in accounting. This emphasis provides the flexibility to explore a variety of accounting topics, and is ideal for students that may not be interested in pursuing professional certifications or licensure at this time.
