

TECHNICAL MANAGEMENT

Specialization: Human Resource Management

ABOUT THIS DEGREE PROGRAM

BUSINESS CORE

A FOUNDATION IN BUSINESS

This program features a series of essential Business Core courses to help build interdisciplinary skills critical to workplace success.

These courses introduce students to key disciplines that support business careers and cover concepts related to general business principles, including accounting, marketing, management and the analytic skills that inform business decision-making.

The Business Core coursework introduces students to contemporary workplace applications. In each course, the learning experience is enhanced through activities that help students apply the course material, while shaping future education and career choices.

A PROGRAM TO FUEL YOUR FUTURE

In this specialization you'll gain a deeper understanding of the skills required to be a successful HR professional, including designing pay structures, developing employee policies and communicating employee benefits.

IS THIS PROGRAM FOR YOU?

Do you have potential transfer credits and an interest in pursuing a career in human resources? Then this program may be the right fit for you.
