

Bachelor's Degree in Clinical Laboratory Science Program

Clinical Laboratory Science Program Student Outcomes Measures:

3-Year Weighted Average	DeVry University – Phoenix Campus
Graduation Rate ₁	86%
Attrition Rate ₁	11%
Placement Rate ₂	79%
BOC Exam Pass Rate ₂	66%

Notes:

The three-year weighted average corresponds to data reported in the National Accrediting Agency for Clinical Laboratory Science 2018 Annual Survey. The time period pertains to the July-June period for:

1: 2015-2016, 2016-2017, and 2017-2018 for Graduation and Attrition Rates

2: 2014-2015, 2015-2016, and 2016-2017 for BOC Certification Exam Pass and Placement Rates

Graduation and attrition rates are cohort based. Cohorts are defined as all students at the campus entering the final half of the program (CLS420 or higher) between July 1st and June 30th and have graduated as of September 2018 session.

Placement and exam pass rates are based on all graduates between July 1st and June 30th. Graduates were counted as placed who obtained new in-field employment no earlier than six months prior to graduation and within one year following graduation or continued their education within one year of graduation. Graduates were counted as passing the ASCP Board of Certification exam if they passed within one year of graduation.

CLS program outcomes measures as defined by the National Accrediting Agency for Clinical Laboratory Science (NAACLS, 5600 N. River Road, Suite 720, Rosemont, IL 60018, 773-714-8880, www.naacls.org)
