Bachelor’s Degree Program
TECHNICAL MANAGEMENT
Specialization: Finance

ABOUT THIS DEGREE PROGRAM
For those with prior college education or professional experience, the bachelor’s degree completion program in Technical Management at DeVry University can help you develop the management skills needed to work in many business areas and industries, such as accounting, project management, entrepreneurship, marketing, and human resources. With previously earned qualifying college credits, you may be able to earn your bachelor’s degree in less time.

Our Technical Management degree program is designed to prepare students to meet the challenges of a high-tech, global marketplace by bringing the real world into the classroom. Through experiential projects, you can develop the skills and business acumen needed in today’s business world.

If you have prior work or educational experience, you may also want to consider our Management degree program, which is available with many of the same specializations.

DID YOU KNOW?
DeVry University’s Bachelor of Science in Technical Management program has achieved voluntary accreditation from the Accreditation Council for Business Schools and Programs (ACBSP) www.acbsp.org, demonstrating that it has met the standards of business education that promote teaching excellence.

Programs, course requirements and availability vary by location. Some courses may be available online only. All students enrolled in site-based programs will be required to take some coursework online and, for some programs and locations, a substantial portion of the program may be required to be completed online. DeVry’s academic catalog, available via devry.edu/catalogs, contains the most current and detailed program information, including admission, progression and graduation requirements. Information contained herein is effective as of date of publishing.
DeVry University's bachelor's degree program in Technical Management can help prepare you for the workplace with a solid business foundation. Our specialization in Finance can further focus your studies.

The vast world of finance spans from local to international. Our Finance specialization introduces you to many areas under the financial umbrella such as investments, securities, global systems, real estate finance, risk management, international finance, management and more. You can learn how to analyze and interpret financial statements, and explore how it relates to the financial strength of an investment and the expansive financial and legal environment that surrounds it. You can also learn to use and review information such as financial reports, market trends and interest rates to give advice and guide individuals or organizations on financial decisions.

Graduates of DeVry University's Management program with a specialization in Finance may consider careers including, but not limited to, the following:

- Bank Branch Manager
- Budget Analyst
- Cash Manager
- Commercial Banking Officer
- Controller
- Credit Manager
- Financial Analyst
- Financial Planning Consultant
- Insurance Representative
- Loan Officer
- Manager of International Banking
- Risk and Insurance Analyst
- Security and Commodities Sales Agent
- Treasurer or Finance Officer

1Employment in this occupation may require years of relevant experience.
2Additional hours of industry-specific training may be required to obtain employment in this field.
3Applicants for jobs in this field may be subject to pre-employment screenings such as, but not limited to, criminal background checks, and drug and/or alcohol testing.
