

Bachelor's Degree in Clinical Laboratory Science Program

Clinical Laboratory Science Program Student Outcomes Measures:

3-Year Weighted Average	DeVry University – Phoenix Campus	DeVry University – Houston Campus₃
Graduation Rate₁	84%	50%
Attrition Rate₁	10%	20%
Placement Rate₂	86%	n/a
BOC Exam Pass Rate₂	73%	n/a

Notes:

The three year weighted average corresponds to data reported in the National Accrediting Agency for Clinical Laboratory Science 2016 Annual Survey. The time period pertains to the July-June period for:

- 1: 2013-2014, 2014-2015, and 2015-2016
- 2: 2012-2013, 2013-2014, and 2014-2015
- 3: 2015-2016 is the only available cohort for the DeVry University Houston Campus.

Graduation and attrition rates are cohort based. Cohorts are defined as all students at the campus entering the final half of the program (CLS420 or higher) between July 1st and June 30th and have graduated as of 8/28/2016 or enrolled/withdrawn through the September 2016 term.

Placement and exam pass rates are based on all graduates between July 1st and June 30th. Graduates were counted as placed if employed in the field or continuing their education within six months of graduation. Graduates were counted as passing the ASCP Board of Certification exam if they passed within one year of graduation.

CLS program outcomes measures as defined by the National Accrediting Agency for Clinical Laboratory Science (NAACLS, 5600 N. River Road, Suite 720, Rosemont, IL 60018, 773-714-8880, www.naacls.org)
