

Transfer Credits from StraighterLine

Effective from May 19, 2020 to May 19, 2023

DeVry University has developed this Degree Program Transfer Guide to assist students transferring from StraighterLine to DeVry. This guide doesn't represent all courses required for DeVry programs; rather, it provides a list of courses that, when completed at StraighterLine, may transfer to DeVry. For a complete list of course requirements in each DeVry program, please see the [Academic Catalog](#).

This guide is based on a review of StraighterLine courses by DeVry as of 5/19/20 and is subject to review and modification at any time and without prior notice. Limitations and restrictions may apply.

Bachelor's degree programs included in this guide are:

- Accounting
- Business Administration
- Communications
- Computer Information Systems
- Electronics Engineering Technology
- Healthcare Administration
- Information Technology & Networking
- Justice Administration
- Management
- Multimedia Design & Development
- Network & Communications Management
- Software Development
- Technical Management
- Technical Management – Health Information Management

Process

Applicants seeking to transfer credit must:

1. Request a formal credit evaluation prior to beginning the first class at DeVry University; and
2. Provide to DeVry an official transcript from the institution where the credit was earned.

Please see a DeVry University admissions representative to request a transfer credit evaluation. Transfer credit is considered on an individual basis and awarded only upon receipt of an official transcript.

Limitations and Restrictions

Admission and transfer credit applicability are subject but not limited to DeVry University's admission requirements, program requirements, and academic policies, including but not limited to the external transfer credit policy. Additional state-specific requirements for transfer credit acceptance may apply.

Please note the following:

- A grade of C (70%) or higher is required for all transfer credits to DeVry University. Courses accepted in transfer may not be applicable to the academic program chosen by the student.
- The number of credits granted for any course equivalency may not exceed the number on the transcript associated with the transfer course.
- Curriculum changes at either institution may affect transferability and applicability of certain credits. A time limit may be imposed on the ability to transfer credits for some courses, especially those in technical or evolving areas.

The provisions of this transfer guide do not constitute a contract, expressed or implied, between any applicant or student and DeVry University. The information contained herein is neither an award nor a commitment to award credit at DeVry University.
