## **CAMPUS WATCH**

### **It's your campus - Protect it!**

A truly safe campus can only be achieved through the cooperation of students, faculty and staff. As a member of the DeVry University community, it is your responsibility to report a crime, suspicious activity or other emergencies on campus to the appropriate school official. Should you become a witness to or victim of a crime, immediately report the incident to local law enforcement officials, the Student Services office, or to the Campus President. All crimes will be investigated and when appropriate, brought to the attention of the Student Services office for disciplinary hearings.

### **Purpose of the Annual Disclosure Report**

DeVry University prepares this report to comply with the *Jeanne Clery Disclosure of Campus Security and Crime Statistics Act*. The full text of this document can also be found on the <http://www.devry.edu/studentconsumerinfo.html> or by visiting your local Student Central office. This report was prepared with the assistance of local law enforcement agencies. Campus crime, arrest and referral statistics include those that were reported to local law enforcement and campus faculty and staff. This data may also include crimes that have occurred in private residences or businesses adjacent to the campus.

## **REPORTING CRIMES AND EMERGENCIES**

When making your report of an incident you will be asked to provide the following information:

1. Description of the incident
2. Date, time and location of the incident
3. Description of the persons or vehicles involved in the incident
4. Detail regarding who was notified about the incident

Upon receipt of this report DeVry University will determine the appropriate response, which could include disciplinary action against the offender(s), notification to local law enforcement, notification to the campus community or other public safety alternatives deemed appropriate given the circumstances. Please note that your identity may not be confidential when reporting an incident. DeVry University does not have procedures for voluntary, confidential reporting of crimes.

Once each semester, DeVry University will contact the Cherry Hill police department and property management to monitor and record crimes that occur within the designated area surrounding the campus that have been reported to the local Police.

All Emergencies –Dial 911

## **ANNUAL SECURITY REPORT**

DeVry University will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the SIREN notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

The Campus President will determine if there is a significant emergency or dangerous situation and what segment of the campus community will need to receive a notification.

DeVry University will:

- Test emergency response and evacuation procedures on an annual basis
- Document each test, including the date, time, and whether it was announced or unannounced
- Publicize emergency response and evacuation procedures in conjunction with at least one test per calendar year

## SIREN EMERGENCY ALERT SYSTEM

In the event of an emergency or a potentially dangerous threat to the campus or center arises, students, faculty and staff will receive timely notification via the SIREN system, on campus flyers, and/or email announcements. This includes any Clery Act crimes that are reported to the campus IC or local police and are considered to represent a serious or continuing threat to students, faculty, and staff. Please make sure to keep contact information updated in SIREN through the student portal at <https://my.devry.edu/home> for students and the DVG Commons at <https://adfsapps.devry.edu/adfs/ls/?wa=wsignin1.0&wtrealm=https://cas.devry.edu:443/cas&App=thudevrycommons.com> for faculty and staff.

## CAMPUS ACCESS, FACILITY SECURITY AND LAW ENFORCEMENT

### **Cherry Hill**

The Facilities department maintains the building and grounds with a concern for safety and security. Facilities staff inspect the facility regularly, promptly make repairs affecting safety and security hazards, and respond to reports of potential safety and security hazards such as broken windows, locks, etc. Students, faculty and staff can assist the Facilities staff by calling (732) 729-3795 to report concerns. Additionally, the Facilities Manager routinely inspects the grounds and building to review lighting and other environmental concerns for safety.

There are fire alarms and pull stations throughout the facility that should be used only in the event of an emergency. If an emergency requires evacuation, there are signs clearly posted throughout the building indicating the best routes for evacuation.

The building is generally open from 8:30 a.m. to 10:00 p.m. Monday through Thursday, 8:00 a.m. to 5:00 p.m. on Friday, and from 9:00 a.m. to 1:00 p.m. on Saturday. When the building is closed, it is locked and monitored by a security company. Access to classrooms and laboratories is limited to those enrolled in the courses meeting there. Access to on- and off-campus activities is limited to actively enrolled students and their guests. Students are responsible for the behavior of their guests at all times at campus-arranged events. DeVry University reserves the right to require that DeVry University identification cards be presented for admittance to certain locations and events. DeVry University may also require students to register their guests with Student Services prior to attendance. Student, faculty and staff identification cards should be worn at all times.

The on-duty security officer serves as an escort and on-campus security 8:30 a.m. to 10:00 p.m. Monday through Thursday, 8:00 a.m. to 5:00 p.m. on Friday, and from 9:00 a.m. to 1:00 p.m. on Saturday. The security officer must be called to respond to emergencies and can be reached at (856) 317-4437. The security officer has the authority to ask questions and request identification at any time. Criminal incidents will be referred to local law enforcement.

All crime victims and witnesses are strongly encouraged to report incidents to both campus security and local police. Prompt reporting will ensure timely warning notices to the campus community and timely disclosure of crime statistics.

Students living in off-campus student housing facilities should check with the apartment landlord for specific safety and security measures at their complex. Although most complexes provide keys for individuals and restrict access to apartments, the level of additional security varies from complex to complex. Crimes committed at off-campus housing should be immediately reported to the Police department with jurisdiction over the complex and as soon as reasonably possible to the Student Services office.

The campus security department maintains a policy concerning the monitoring and recording, through local police departments, of criminal activity in which students engaged at off-campus locations of student organizations officially recognized by the institution, including student organizations with off-campus housing facilities.

## **SAFETY AND SECURITY**

Campus safety and security is the shared responsibility of students, faculty and staff. To enhance student, faculty and staff awareness of their responsibility for personal safety, various information and services, including but not limited to, the following are provided throughout the year:

- Optional renters insurance information for housing students

## **SEXUAL OFFENSE AWARENESS**

### **Definitions**

Dating violence is defined as violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

Domestic violence is defined as felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim; by a person with whom the victim shares a child in common; by a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner; by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

Rape is defined as penetration, no matter how slight, of the vagina or anus, with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

Sexual assault is defined as any sexual act directed against another person, without consent of the victim, including instances where the victim is incapable of giving consent.

Stalking is defined as engaging in a course of conduct directed at a specific person that would cause a reasonable person to: fear for his/her safety or the safety of others; or suffer substantial emotional distress.

### **Procedures to Follow After an Assault**

Victims of a sexual assault or rape are strongly encouraged to report the incident in order to deter these assaults and to ensure that victims receive the services they need. Steps should be taken to help deal with the physical and emotional trauma:

1. Go to a safe place; go somewhere to receive emotional support.
2. Report a sexual assault on campus to the Dean of Student Affairs or local leadership.
3. Report the assault to the police. If requested, DeVry University will assist with notification.
4. Preserve all physical evidence. Do not shower, bathe or douche and save the clothing worn.
5. Go to the hospital for medical care. Injuries should be treated and an examination completed to document and collect physical evidence of the assault. DeVry University will assist with transportation if necessary.
6. Seek professional counseling. This can help in the recovery from the psychological effects of the assault.

Please refer to the *Resources for Victims of Sexual Assault* section of this document for a list of local resources that will provide immediate advice and assistance to victims of sexual assault or rape.

Victims of a sexual assault or rape may request a change in their academic arrangements by contacting their Director of Student Central. Changes will be made if feasible and reasonable to do so.

All reports filed with DeVry University will remain confidential. Staff and faculty should report any on-campus sexual offenses to the Campus President and the proper authorities.

#### Disciplinary Action

Disciplinary procedures and sanctions as outlined in the Student Code of Conduct will be followed once charges are brought after an alleged sexual assault. Both the accuser and the accused are entitled to the same opportunities to have others present during a disciplinary hearing. Both the accuser, upon his/her written request, and the accused, of a crime of violence or a non-forcible sex offense, will be informed of the results of any disciplinary proceedings conducted as a result of an alleged sexual assault.

#### Sexual Offense Awareness

Additional information regarding DeVry University's programs to prevent an incident, as well as the procedures to follow once an incident occurs (which includes a standard of evidence that will be used during any institutional conduct proceeding arising from such a report), of domestic violence, dating violence, sexual assault, or stalking can be found in DeVry University's Sex and Gender-Based Misconduct Response and Prevention Policy found at <http://www.devry.edu/studentconsumerinfo.html>.

## **CAMPUS SEX CRIMES PREVENTION ACT**

The Campus Sex Crimes Prevention Act requires sex offenders already required to register in a State to provide notice, as required under State law, to each institution of higher education in that state at which the person is employed, carries on a vocation, or is a student. The act requires that state procedures ensure this registration information is promptly made available to law enforcement agencies with jurisdiction where the institutions of

higher education are located and that it is entered into appropriate state records or data systems. These changes became effective two years after enactment of the law (2002).

This act amends the Higher Education Act of 1965 to require institutions of higher education to issue a statement, in addition to other disclosures required under that Act, advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. This change takes effect two years after enactment (2002).

This act amends the Family Educational Rights and Privacy Act of 1974 to clarify that nothing in that Act may be construed to prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders; requires the Secretary of Education to take appropriate steps to notify educational institutions that disclosure of this information is permitted.

## New Jersey

Convicted sex offenders and sexual predators at initial registration, you must provide information when you:

1. enroll in any public or private educational institution in this State, including any secondary school, trade or professional institution, institution of higher education or other post-secondary school on a full-time or part-time basis, or
2. are employed or carry on a vocation in any public or private educational institution in this State, including any secondary school, trade or professional institution, institution of higher education or other post-secondary school in this State on either a full-time or a part-time basis, with or without compensation, for more than 14 consecutive days or for an aggregated period exceeding 30 days in a calendar year. In addition to any other registration requirements, a person required to register who is enrolled at, employed by, or carries on a vocation at an institution of higher education in this State, must also register within 10 days of commencing such attendance, employment, or vocation with the law enforcement unit of the educational institution, if any. A law enforcement unit is defined as a campus police department or other form of state recognized law enforcement agency, not a campus security department. If there is no law enforcement unit, that person must register with the local law enforcement agency having primary jurisdiction for the campus.

To check registered sex offenders in a state, see the State Sexual Offender Registry List section.
