Transfer credits from Brightwood College
Effective from December 13, 2018 to December 13, 2021

DeVry University has developed this Degree Program Transfer Guide to assist students transferring from Brightwood College to DeVry. This guide doesn't represent all courses required for DeVry programs; rather, it provides a list of courses that, when completed at Brightwood College, may transfer to DeVry. For a complete list of course requirements in each DeVry program, please see the Academic Catalog.

This guide is based on a review of Brightwood College courses by DeVry as of 12/13/18 and is subject to review and modification at any time and without prior notice. Limitations and restrictions may apply.

Programs included in this guide are:

Associate Degree
- Business
- Information Technology & Networking
- Health Information Technology
- Network Systems Administration

Undergraduate Certificate
- Medical Billing and Coding

Process
Applicants seeking to transfer credit must:
1. Request a formal credit evaluation prior to beginning the first class at DeVry University; and
2. Provide to DeVry an official transcript from the institution where the credit was earned.

Please see a DeVry University admissions representative to request a transfer credit evaluation. Transfer credit is considered on an individual basis and awarded only upon receipt of an official transcript.

Limitations and Restrictions
Admission and transfer credit applicability are subject but not limited to DeVry University's admission requirements, program requirements, and academic policies, including but not limited to the external transfer credit policy. Additional state-specific requirements for transfer credit acceptance may apply.

Please note the following:
- A grade of C (70%) or higher is required for all transfer credits to DeVry University. Courses accepted in transfer may not be applicable to the academic program chosen by the student.
- The number of credits granted for any course equivalency may not exceed the number on the transcript associated with the transfer course.
- Curriculum changes at either institution may affect transferability and applicability of certain credits. A time limit may be imposed on the ability to transfer credits for some courses, especially those in technical or evolving areas.

The provisions of this transfer guide do not constitute a contract, expressed or implied, between any applicant or student and DeVry University. The information contained herein is neither an award nor a commitment to award credit at DeVry University.

Important information about the educational debt, earnings, and completion rates of students who attended DeVry can be found at www.devry.edu/degree-programs/ge.html.

Program List

The following are the Brightwood College programs that were evaluated and the corresponding DeVry University programs in which some credit may transfer.

Brightwood College	DeVry University
Business Administration	Business (Associate)
Computer Networking Technology	• Network Systems Administration (Associate) • Information Technology & Networking (Associate)
Computer Support Technician	
Network Support Technician	
Network System Administration	
Medical Billing and Coding Specialist	• Medical Billing and Coding (Certificate)
Health Information Technology	• Medical Billing and Coding (Certificate) • Health Information Technology (Associate)

DeVry University offers on campus and online degree programs; visit www.devry.edu to learn more.

Business – Associate Degree Program

DeVry University Courses		Brightwood College Courses	
Communication Skills		Up to 3 semester-credit hours of coursework in an applicable communication skills discipline can be applied as communication skills credit toward this program.	
• ENGL112	Composition	• CM105 &	English Composition I
		• CM110	English Composition II
Humanities		Up to 3 semester credit hours of coursework in any applicable humanities discipline can be applied as humanities credit toward this program.	
• ETHC232	Ethical and Legal Issues in Professions	• MG250 OR	Business Ethics
		• HU245	Ethics
Social Sciences		Up to 3 semester credit hours of coursework in any applicable social science discipline can be applied as social science credit toward this program.	
• SOCS185	Culture and Society	• SS130 OR	Introduction to Sociology
		• SOC1010	Introduction to Sociology
Mathematics and Natural Sciences		Three semester-credit hours of coursework in any applicable natural sciences discipline can be applied as natural science credit toward this program.	
Business and Technology			
• ACCT212	Financial Accounting	• BU141 &	Principles of Accounting I
		• BU142	Principles of Accounting II
• BUSN115	Introduction to Business and Technology	• BU105	Introduction to Business
• BUSN219	Marketing Fundamentals	• MG301	Introduction to Marketing
• COMP100	Computer Applications for Business with Lab	• CM125	Introduction to Computing
Major/Concentration			
General Business			
• MGMT210	Human Resource Functions	• BU276	Human Resource Management
Retail Management			
• MGMT210	Human Resource Functions	• BU276	Human Resource Management

Medical Billing and Coding – Undergraduate Certificate Program

DeVry University Courses		Brightwood College Courses	
Natural Sciences			
• BIOS105	Fundamentals of Human Anatomy and Physiology with Lab	• ANA114 &	Anatomy and Physiology: Skeletal, Integumentary Muscular, Nervous, Sensory, and Endocrine
		• ANA115	Anatomy and Physiology: Cardiovascular, Lymphatic, Respiratory, Digestive, Urinary, and Reproductive
• BIOS267	Pathopharmacology	• HS113 &	Diseases of the Human Body: Skeletal, Integumentary, Muscular, Nervous, Sensory, and Endocrine
		• HS114 &	Diseases of the Human Body: Cardiovascular, Lymphatic, Respiratory, Digestive, Urinary, and Reproductive
		• HS141	Pharmacology for HIT
Health Information Technology			
• HIT111	Basic Medical Terminology	• HS112	Medical Terminology
• HIT120	Introduction to Health Services and Information Systems	• AHP155	Health Information Management
• HIT203	International Classification of Diseases Coding I with Lab	• HI152	ICD-10 CM Coding
• HIT205	International Classification of Diseases Coding II with Lab	• HI155	ICD 10 PCS Coding
• HIT211	Current Procedural Terminology Coding with Lab	• HI149	Medical Coding II
• HIT 230	Health Insurance and Reimbursement	• MBG155 &	Reimbursement and Collection Procedures
		• MBY155	Private and Managed Care Insurance Plans
