ABOUT THIS DEGREE PROGRAM

A FOUNDATION IN BUSINESS
This program features a series of essential Business Core courses to help build interdisciplinary skills critical to workplace success. These courses introduce students to key disciplines that support business careers and cover concepts related to general business principles, including accounting, marketing, management and the analytic skills that inform business decision-making.

The Business Core coursework introduces students to contemporary workplace applications. In each course, the learning experience is enhanced through activities that help students apply the course material, while shaping future education and career choices.

A PROGRAM TO FUEL YOUR FUTURE
In this specialization, you'll learn to develop real skills in healthcare management and prepare to enter the exciting field of healthcare. Learn about patient records management, health information systems, healthcare finance and insurance billing in diverse provider settings.

IS THIS PROGRAM FOR YOU?
This program is designed to prepare you for business roles in the healthcare industry, and provides an opportunity for you to attain the knowledge and skills that are competitive in healthcare fields.
