

Bachelor's Degree Program BUSINESS ADMINISTRATION

Specialization: **Hospitality Management**

ABOUT THIS DEGREE PROGRAM

Businesses large and small are the core of the American economy. Earning a bachelor's degree in Business Administration at DeVry University can help you develop the skills needed to work in many business areas and industries, such as accounting, project management, entrepreneurship, marketing, and human resources.

The Business Administration degree program is designed to prepare students to meet the challenges of a high-tech, global marketplace by bringing the real world into the classroom. Through experiential projects, you can develop the skills and business acumen needed in today's business world.

This program is designed to accommodate students with a wide range of experiences, including those with little or no prior college education or work experience. If you have prior work or educational experience, you may also want to consider our Technical Management or Management degree programs, which are available with many of the same specializations.

DID YOU KNOW?

DeVry University's Bachelor of Science in Business Administration program has achieved voluntary accreditation from the Accreditation Council for Business Schools and Programs (ACBSP) www.acbsp.org, demonstrating that it has met the standards of business education that promote teaching excellence.
