ABOUT THIS DEGREE PROGRAM

A FOUNDATION IN BUSINESS
This program features a series of essential Business Core courses to help build interdisciplinary skills critical to workplace success. These courses introduce students to key disciplines that support business careers and cover concepts related to general business principles, including accounting, marketing, management and the analytic skills that inform business decision-making.

The Business Core coursework introduces students to contemporary workplace applications. In each course, the learning experience is enhanced through activities that help students apply the course material, while shaping future education and career choices.

A PROGRAM TO FUEL YOUR FUTURE
In this specialization, you’ll learn leadership, human resource management, labor relations and conflict management theories and techniques to improve organizational performance through planning and staffing decisions and training and development programs.

IS THIS PROGRAM FOR YOU?
Do you want to play an important role in developing organizations’ staffing plans, benefit management practices, hiring practices and training and development programs? If so, this program could be the right fit for you.
