ABOUT THIS DEGREE PROGRAM

A FOUNDATION IN BUSINESS
This program features a series of essential Business Core courses to help build interdisciplinary skills critical to workplace success. These courses introduce students to key disciplines that support business careers and cover concepts related to general business principles, including accounting, marketing, management and the analytic skills that inform business decision-making.

The Business Core coursework introduces students to contemporary workplace applications. In each course, the learning experience is enhanced through activities that help students apply the course material, while shaping future education and career choices.

A PROGRAM TO FUEL YOUR FUTURE
Develop the fundamental skills needed to help shape an organization’s budgeting and resource plans when you pursue the Budgeting and Forecasting track. You will be introduced to accounting principles, design and implement budgets and use accounting information to analyze data.

IS THIS PROGRAM FOR YOU?
Interested in understanding basic accounting principles and the impact of finances to an organization’s current plans and future success? Then this program may be the right fit for you.

CAREER OPPORTUNITIES
Graduates of DeVry University’s Business associate degree program with a track in Budgeting and Forecasting may consider, but are not limited to, the following careers:

- Account Associate
- Jr. Staff Accountant
- Assistant Manager
- Management Trainee

- Assess essential financial accounting functions and theory
- Apply statistical analysis to make business decisions

QUICK FACTS

61 CREDIT HOURS
minimum credit hours required for graduation

1 + 4 YEAR MONTHS
minimum length to graduation

ACREDITATION MATTERS
The Associate in Business degree program has achieved voluntary accreditation from the Accreditation Council for Business Schools and Programs (ACBSP, www.acbsp.org), demonstrating that it meets standards of business education that promote teaching excellence.

EMBEDDED PROGRAM
DeVry offers a unique 2-in-1 design that allows our Business Essentials Certificate to be embedded within the Associate in Business, giving you the chance to earn your certificate on the way to your associate degree.

FLEXIBILITY TO FIT YOUR LIFE
Take courses online, on campus or in our innovative connected classrooms. Study full- or part-time and tailor your DeVry experience to fit your life. Classes start every 8 weeks, so you can begin your college degree when it makes sense for you.

MICROSOFT OFFICE PRODUCTIVITY TOOLS
To ensure you have a robust learning experience, as part of your program, you will use the latest version of the Microsoft Office suite to communicate business information, analyze data and report findings.

BE AN ACTIVE PART OF AN INCLUSIVE FUTURE
Customize your curriculum by choosing Diversity, Equity and Inclusion (DE&I) course alternates for your Communication Skills, Humanities and Social Science courses. These options highlight relevant topics to help empower you to promote an inclusive workplace.

1 Not including breaks. Assumes year-round, full-time enrollment. Additional program information may be found at https://www.devry.edu/online-programs.html.

**BUILD SKILLS WITH STACKABLE DEGREES**

When you earn an Associate Degree in Business, every course you completed in the program applies to your Bachelor’s Degree in Technical Management. Build your confidence – and your resume – when you start your journey at DeVry.

*The figures displayed represent the minimum credit hours required for graduation. Additional coursework may be necessary to complete program requirements. For the ABUS program, every course counts towards the Bachelor’s in Technical Management except for the following specializations: Information Technology, Health Information Management and Criminal Justice. At the time of application to the next credential level, an evaluation of qualifying transfer credit will occur and the most beneficial outcome will be applied.*
