

BUSINESS

Track: General Business

ABOUT THIS DEGREE PROGRAM

BUSINESS CORE

A FOUNDATION IN BUSINESS

This program features a series of essential Business Core courses to help build interdisciplinary skills critical to workplace success. These courses introduce students to key disciplines that support

business careers and cover concepts related to general business principles, including accounting, marketing, management and the analytic skills that inform business decision-making.

The Business Core coursework introduces students to contemporary workplace applications. In each course, the learning experience is enhanced through activities that help students apply the course material, while shaping future education and career choices.

A PROGRAM TO FUEL YOUR FUTURE

In this specialization, you'll learn to identify business opportunities and risks, use spreadsheets to examine statistical and financial data and use theory and real-world application to make business decisions.

IS THIS PROGRAM FOR YOU?

Interested in how businesses work? Then this program may be the right fit for you.
