

BUSINESS

Track: Project Management

ABOUT THIS DEGREE PROGRAM

BUSINESS CORE

A FOUNDATION IN BUSINESS

This program features a series of essential Business Core courses to help build interdisciplinary skills critical to workplace success. These courses introduce students to key disciplines that support business careers and cover concepts related to general business principles, including accounting, marketing, management and the analytic skills that inform business decision-making.

A PROGRAM TO FUEL YOUR FUTURE

By pursuing the Project Management track, you will explore and apply fundamental project management tools and techniques. Through a blend of theoretical knowledge and practical application, you'll gain exposure to project team plans as well as communications plans, all of which are key ingredients for successful project outcomes.

IS THIS PROGRAM FOR YOU?

Interested in understanding the basic issues related to business while developing a basic understanding of project management concepts? Then this program may be the right fit for you.

CAREER OPPORTUNITIES

Graduates of DeVry University's Business associate degree program with a track in Project Management may consider, but are not limited to, the following careers:

- Project Coordinator
- Project Management Specialist
