

BUSINESS

Track: Sales and Customer Development

ABOUT THIS DEGREE PROGRAM

BUSINESS CORE

A FOUNDATION IN BUSINESS

This program features a series of essential Business Core courses to help build interdisciplinary skills critical to workplace success. These courses introduce students to key disciplines that support business careers and cover concepts related to general business principles, including accounting, marketing, management and the analytic skills that inform business decision-making.

The Business Core coursework introduces students to contemporary workplace applications. In each course, the learning experience is enhanced through activities that help students apply the course material, while shaping future education and career choices.

A PROGRAM TO FUEL YOUR FUTURE

By pursuing the Sales and Customer Development track, you will explore essential strategies and tools essential for acquiring and retaining customers focusing on understanding customer needs, behaviors and preferences.

IS THIS PROGRAM FOR YOU?

Interested in developing the skills needed to develop and maintain strong customer relationships? This program may be the right fit for you.
