

BUSINESS MANAGEMENT

Specialization: Accounting

ABOUT THIS DEGREE PROGRAM

EMPOWERING EMERGING MANAGERS AND TEAM LEADERS

This program is designed to support students seeking to sharpen their managerial skills for a broad range of industries and organizational situations. Coursework provides a foundation of managerial principles to help students develop their leadership potential and complement their operational experience. The curriculum explores essential business topics, provides opportunities to specialize and integrates elective courses enabling students to develop skills to drive organizational change, manage projects, and achieve strategic and operational objectives.

A PROGRAM TO FUEL YOUR FUTURE

In addition to leadership, resource management and conflict management techniques that the Bachelor of Science in Business Management degree provides, the accounting specialization will help you develop data analysis and business communication skills.

IS THIS PROGRAM FOR YOU?

Do you want to help make business decisions grounded in financial statements and leverage automated accounting systems? Then this management program specializing in accounting may be a good fit for you.
