

# DEVRY UNIVERSITY

## UNDERGRADUATE DEGREE PROGRAMS AND CERTIFICATES

### TECH-INFUSED, IMMERSIVE LEARNING

Since our earliest days, DeVry University has leveraged the power of technology to innovate education. We embrace technology, because it's what the market demands, and we teach how it integrates people, process, data and devices to solve modern business problems. We put technology at our core, teaching through experiential learning to help prepare students for the challenges of the real world.

Programs, course requirements and availability vary by location. All students enrolled in site-based programs will be required to take some coursework online and, for some programs and locations, a substantial portion of the program may be required to be completed online. DeVry's academic catalog, available via [devry.edu/catalogs](http://devry.edu/catalogs), contains the most current and detailed program information, including admission, progression and graduation requirements. Information contained herein is effective as of date of publishing.

# KELLER GRADUATE SCHOOL OF MANAGEMENT

## MASTER'S DEGREE PROGRAMS AND GRADUATE CERTIFICATES

### TECH-INFUSED, EXPERIENTIAL LEARNING

Since our beginning, Keller Graduate School of Management has served working adult students by teaching vital management skills that can be used to solve modern problems in business and industry. We understand the imperative value of technology in the marketplace, so we put it at the core of what and how we teach. We emphasize experiential learning and empower students with hands-on knowledge, tools and practices to enable innovative, forward thinking so that they can make an impact in the workplace.
