- English is identified as the official native language of the country in which the applicants completed all of their secondary education, or postsecondary, advanced or professional degree as designated in the CIA World Fact Book at https://www.cia.gov/the-world-factbook/
- The applicants completed their secondary or postsecondary education in a country where English is not the official/native language; however, English was the principal language of instruction at the institution. Such applicants may submit a letter from the institution’s registrar or principal indicating the language of instruction at the institution was English or that the program was taught in English. Also acceptable is a credentials evaluation report from an approved education credentials evaluation agency indicating the language of instruction at the institution was English or that the program was taught in English.

Award Structure
