

2017-2018 Enrollment History Review - Academic Credit Not Earned and/or Incomplete Academic Documents

Your Free Application for Federal Student Aid (FAFSA®) has been selected for enrollment history review. This requires Student Central to review your previous enrollment history in order to determine your eligibility for federal student aid for the 2017-2018 award year.

Upon review of the academic documentation you have previously submitted, it has been determined that:

- The transcript(s) and/or grade report(s) from one or more institutions has not been received or did not indicate the timeframe in which you attended the institution(s); **and/or**
- You did not earn academic credit at one or more of the institutions

In order for the review and determination of your eligibility for federal student aid to be completed, you are required to complete and submit this form to Student Central.
