COMPLETING YOUR APPLICATION

WHAT DOCUMENTATION IS NEEDED TO COMPLETE THE FAFSA?

IDENTIFICATION
- Social Security Card and Driver’s License (or state ID) for you and your parent(s).
- If you are not a U.S. citizen, documentation of your eligible noncitizen status.

2015 INCOME AND TAX INFORMATION
You and your parent(s) (or spouse) may be able to access 2015 IRS tax return information to complete your 2017/2018 FAFSA using the IRS DataRetrieval Tool. If you are eligible, we highly recommend using the tool for several reasons:
1. It’s the easiest way to provide your tax data.
2. It’s the best way of ensuring that your FAFSA has accurate tax information.
3. You shouldn’t need to provide a copy of your or your parents’ or spouse’s tax returns.

If you are unable to use the IRS Data Retrieval Tool, you will need 2015 tax information to complete your 2017-2018 FAFSA. You may also need records of your parents'/parent's income (if you are a dependent student). Please use the following as a guide to gather your documents:
- Your (and your spouse’s, if married) 2015 federal income tax return.
- Parents'/parent's 2015 federal income tax return (if you are a dependent student).
- W-2 forms or other records of income earned.
- Current bank statements and records of stocks, bonds and other investments.
- Business or farm records, if applicable.
- Records of other untaxed income received, such as federal means benefits, Social Security, or military or clergy allowances.

HOW DO I DETERMINE MY DEPENDENCY STATUS?
The federal government has established how dependency status is determined for federal financial aid purposes. If a student is considered a dependent, his or her parents'/parent's income and asset information must be included on the FAFSA. This information will be used in addition to the student's income and asset information to determine the Expected Family Contribution (EFC). The following questions will help determine if you are an independent or dependent student:

YES NO
- Were you born before January 1, 1994?
- As of today, are you married?
- At the beginning of the 2017-2018 school year, will you be working on a master’s or doctorate program?
- Are you currently serving on active duty in the U.S. Armed Forces for purposes other than training?
- Are you a veteran of the U.S. armed forces?
- Do you now or will have children who will receive more than half of their support from you between July 1, 2017, and June 30, 2018?
- Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2018?
- At any time since you turned age 13, were both your parents deceased, were you in foster care or were you a dependent/ward of the court?
- As of today, are you an emancipated minor or in legal guardianship as determined by a court in your state of legal residence?
- At any time on or after July 1, 2016, were you an unaccompanied youth who was homeless or at risk of being homeless?

If you answered YES to ANY of these questions, you are independent and do not need to include your parents' financial information. If you answered NO to ALL of these questions, you are dependent and must include your parents' financial information, too.
