DeVry University | TRANSFER GUIDE 866.338.7973

Transfer Credits from Fox College

Effective from April 25, 2025 to April 25, 2030

DeVry University has developed this Transfer Guide to assist students transferring from Fox College to DeVry. This guide doesn't represent all courses required for DeVry programs; rather, it provides a list of courses that, when completed at Fox College, may transfer to DeVry. For a complete list of course requirements in each DeVry program, please visit the Academic Catalog.

This guide is based on a review of Fox College courses by DeVry as of 04/25/25 and is subject to review and modification at any time and without prior notice. Limitations and restrictions may apply.

The Technical Management bachelor's degree program is included in this guide.

Process

Applicants seeking to transfer credit must:

1. Request a formal credit evaluation prior to beginning the first class at DeVry University; and
2. Provide to DeVry an official transcript from the institution where the credit was earned.

Please contact a DeVry University admissions representative to request a transfer credit evaluation. Transfer credit is considered on an individual basis and awarded upon receipt of an official transcript only.

Limitations and Restrictions

Admission and transfer credit applicability are subject but not limited to DeVry University's admission requirements, program requirements and academic policies, including – but not limited to – the external transfer credit policy. Additional state-specific requirements for transfer credit acceptance may apply.

Please note the following:

- A grade of C (70%) or higher is required for all transfer credits to DeVry University. Courses accepted in transfer may not be applicable to the academic program chosen by the student.
- The number of credits granted for any course equivalency may not exceed the number on the transcript associated with the transfer course.
- Curriculum changes at either institution may affect transferability and applicability of certain credits. A time limit may be imposed on the ability to transfer credits for some courses, especially those in technical or evolving areas.

Provisions of this transfer guide do not constitute a contract, expressed or implied, between any applicant or student and DeVry University. Information contained herein is neither an award, nor a commitment to award, credit at DeVry University.

In New York, DeVry University operates as DeVry College of New York. DeVry University is accredited by the Higher Learning Commission (HLC), https://www.hlcommission.org. Keller Graduate School of Management is included in this accreditation. DeVry is certified to operate by the State Council of Higher Education for Virginia. Arlington Campus: 1400 Crystal Dr., Ste. 120, Arlington, VA 22202. DeVry University is authorized for operation as a postsecondary educational institution by the Tennessee Higher Education Commission. Lisle Campus: 4225 Naperville Rd, Suite 400, Lisle, IL 60532. Program availability varies by location. In site-based programs, students will be required to take a substantial amount of coursework online to complete their program. ©2025 DeVry Educational Development Corp. All rights reserved.

DeVry University offers online degree programs, undergraduate certificate programs and programs on campus. Visit www.devry.edu to learn more.

Technical Management Bachelor's Degree Program			
DeVry Courses		**Fox College Courses**	
Communication Skills			
• ENGL112	Composition	• EN-112	Oral Communication
• ENGL135	Advanced Composition	• EN-222	Composition II
Additional General Education Selection		Three semester-credit hours of coursework in any applicable general education discipline can be applied toward this program requirement.	
• SPCH275	Public Speaking	• EN-112	Oral Communication
Business Core			
• COMP100	Computer Applications for Business with Lab	• CS-104	Introduction to Technology I
Technical Specialty		Up to 27 semester-credit hours of qualifying prior college coursework not meeting other program requirements may be applied toward the technical specialty hours.	
General Technical Option The general technical option is designed for students who wish to apply prior coursework to a particular career area. DeVry coursework, qualifying coursework from a prior college experience, or a combination of DeVry and qualifying prior coursework may apply. The following disciplines can apply to the General Technical Option with a minimum of 23 credit hours in a particular career area. The remaining four credit hours are taken at DeVry. The following are examples of course distribution into the GTO. Other courses not listed may apply to the GTO.			
Medical Assisting			
• ELTV1TR	Technical Specialty Credit	• MD-104	Anatomy and Physiology I
• ELTV1TR	Technical Specialty Credit	• MD-105	Anatomy and Physiology II
• ELTV1TR	Technical Specialty Credit	• MD-106	Pharmacology
• ELTV1TR	Technical Specialty Credit	• MD-128	Medical Laboratory Procedures
• ELTV1TR	Technical Specialty Credit	• MD-132	Medical Administrative Procedures I
• ELTV1TR	Technical Specialty Credit	• MD-133	Medical Administrative Procedures II
• ELTV1TR	Technical Specialty Credit	• MD-139	Business & Ethics in Healthcare
• ELTV1TR	Technical Specialty Credit	• MD-141	Clinical Procedures I
• ELTV1TR	Technical Specialty Credit	• MD-142	Clinical Procedures II
• ELTV1TR	Technical Specialty Credit	• MD-143	Clinical Procedures III
• ELTV1TR	Technical Specialty Credit	• MD-156	Medical Office Systems
Occupational Therapy			
• ELTV1TR	Technical Specialty Credit	• OT-101	Introduction to Occupational Therapy
• ELTV1TR	Technical Specialty Credit	• OT-105	Medical Terminology & Documentation
• ELTV1TR	Technical Specialty Credit	• OT-112	Anatomy & Physiology for OTA I Theory
• ELTV1TR	Technical Specialty Credit	• OT-120	Human Occupations
• ELTV1TR	Technical Specialty Credit	• OT-125	Conditions Affecting Health and Occupations
• ELTV1TR	Technical Specialty Credit	• OT-130	Human Movement for Occupation
• ELTV1TR	Technical Specialty Credit	• OT-135	Assistive Technology
• ELTV1TR	Technical Specialty Credit	• OT-140	Activity Analysis & Group Process
• ELTV1TR	Technical Specialty Credit	• OT-160	Theory of Physical Rehabilitation
• ELTV2TR	Technical Specialty Credit	• OT-210	Theory of Pediatric Occupations
