

LEADERSHIP

ABOUT THIS DEGREE PROGRAM

Keller's Leadership graduate certificate program helps students prepare to become leaders in the workforce by developing their ability to elevate individual and team performance, formulate strategies and leverage technology in the workplace to drive competitive advantage. Coursework explores organizational behavior, change management, emerging technologies, strategic decision-making and planning, and leadership in diverse organizations.

The certificate can be earned as a standalone credential, credits from which are transferrable to the Leadership concentration in the Master of Business Administration (MBA) program pathways.¹
