ABOUT THIS DEGREE PROGRAM

BUSINESS CORE

This program features a series of essential Business Core courses to help build interdisciplinary skills critical to workplace success. These courses introduce students to key disciplines that support business careers and cover concepts related to general business principles, including accounting, marketing, management and the analytic skills that inform business decision-making.

The Business Core coursework introduces students to contemporary workplace applications. In each course, the learning experience is enhanced through activities that help students apply the course material, while shaping future education and career choices.

A PROGRAM TO FUEL YOUR FUTURE

This specialization can help prepare you to play an important role in areas such as healthcare policy, managed care, insurance, information systems or finance. You'll learn to develop real skills in healthcare administration such as how to approach managed-care and the financing and delivery of healthcare services in the U.S., how to manage corporate Human Resources and more.

IS THIS PROGRAM FOR YOU?

This program is designed to prepare you for administration roles in the healthcare industry, and provides an opportunity for you to attain the knowledge and skills that are competitive in healthcare fields.

CAREER OPPORTUNITIES

Graduates of DeVry University’s Healthcare Administration degree program with a specialization in Healthcare Management may consider careers including, but not limited to, the following:

- Assistant Administrator
- Admissions Coordinator
- Administrative Services Manager

APPLIED SKILLS IN BUSINESS ADMINISTRATION

Grow your experience with business applications and how they work in today’s marketplace. Our technology focus is applied throughout your program to offer you exposure to tools that enhance effectiveness and collaboration in the digital age.

MICROSOFT OFFICE PRODUCTIVITY TOOLS

To ensure you have a robust learning experience, as part of your program, you will use the latest version of the Microsoft Office suite to communicate business information, analyze data and report findings.

LEARN FROM THOSE WHO LEAD

Our accomplished faculty of experienced educators is passionate about teaching and guiding students toward success. Shape and build your education with guidance from faculty who challenge you intellectually and provide insight into new learnings from their real-world knowledge and industry expertise.

BE AN ACTIVE PART OF AN INCLUSIVE FUTURE

Customize your curriculum by choosing Diversity, Equity and Inclusion (DE&I) course alternates for your Communication Skills, Humanities and Social Science courses. These options highlight relevant topics to help empower you to promote an inclusive workplace.

1 128 for students enrolled at a New Jersey location. 2 127 for students enrolled at a Pennsylvania location.
3 Not including breaks. Assumes year-round, full-time enrollment. Additional program information may be found at https://www.devry.edu/online-programs.html.
