

Higher Education Emergency Relief Funds (HEERF II) Reporting – June 30, 2022-Final Report

On December 27, 2020, the Coronavirus Response and Relief Supplemental Appropriations Act 2021 (CRRSAA) was signed into law. This law established the Higher Education Emergency Relief Fund II (HEERF II), providing additional funding available to institutions of higher learning. DeVry University (DVU) received and acknowledged the Grant Award Notification (GAN) on January 19, 2021 with our assurance that DVU will use 100% of the **Emergency Financial Aid Grants** to eligible students. As of September 30, 2021, we have received \$4,369,519 in grant funding for this purpose.

The institution identified 16,816 students potentially eligible to receive the Emergency Financial Aid Grants to students. As of June 30, 2022, 6,806 students have received an emergency grant. Total amount of grant funds disbursed to students at this time is \$4,369,519.

To be considered for the HEERF II funding, DVU utilized a request form where potentially eligible students confirmed any unexpected expenses that may have been incurred as a result of the COVID-19 pandemic such as expenses for food, housing, course materials and technology, healthcare including mental health and childcare. In addition to completing the request form, students must have been enrolled as a regular student in an eligible program of study in the March 2021 session and have a valid 2020-2021 or 2021-2022 ISIR on file with an Estimated Family Contribution (EFC) of 0-5800 for initial allocation of HEERF II. 8 students did not claim their HEERF II Funds in our initial allocation and they were reallocated to 8 other students. The eligibility criteria used for the reallocation mirrored the initial allocation requirements but the student must have been enrolled as a regular student in an eligible program of study in the March 2022 session instead of the March 2021 session.

DVU determined that the most equitable way to disburse these grant funds to our impacted students, was to divide our total allocation among the eligible students who completed the request form.

Information on the use of these grant funds and how to complete a request form was communicated to students via email the week of March 29, 2021
