ASSOCIATE OF APPLIED SCIENCE IN HEALTH INFORMATION TECHNOLOGY

KNOW BEFORE YOU GO FACT SHEET

WHAT WILL I LEARN AND EXPERIENCE IN MY STUDIES?

You will use principles of life sciences and information technology to implement and evaluate solutions to healthcare information technology problems. You will be able to perform complex clinical coding tasks while analyzing and managing healthcare data by using an applications software.

As part of your graduation requirements, you will be required to work with other students to complete a senior project focused on developing real-life solutions to business challenges.

PROGRAM COSTS AND STUDENT LOANS

Total program costs for a student with no transfer credits is $34,704

Average Program Cost: $24,720

Average Student Loan Debt: $16,462

COMPLETION RATES

For the Associate of Applied Science in Health Information Technology, the completion rate for first-time full-time students is 16%.

32% of all new full-time students entering the Associate of Applied Science in Health Information Technology, including students who attended another college before DeVry University, graduated.

LOAN DEFAULT RATES

9.9% of students who attended DeVry University and received federal student loans and entered repayment in the year ending 9/30/2016 defaulted on their student loans.

29-2071.00 (Medical Records and Health Information Technicians)

Some programs offered by DeVry University and its Keller Graduate School of Management may include certification exam preparation materials within the curriculum. Completion of educational programs offered by DeVry do not lead to professional licensure or certification that are a prerequisite for employment. Before seeking professional licensure or certification, students interested in doing so after the completion of a DeVry program are encouraged to confirm eligibility and ensure all necessary requirements can be met.

COLLEGE SCORECARD

The U.S. Department of Education’s College Scorecard, a tool designed to help students make informed decisions about higher education, is available here: https://collegescorecard.ed.gov/

Financial Aid is available for those who apply and qualify.

IMPORTANT INFORMATION ABOUT THE KNOW BEFORE YOU GO FACT SHEET:

How relevant is this information to me? The Know Before You Go Fact Sheet provides information about DeVry University and its Associate of Applied Science in Health Information Technology program and information about U.S. colleges as a whole. Certain information, such as earnings outcomes, can be different depending on where you plan to live and your individual situation and experience. The Fact Sheet information is intended to help you compare some information about DeVry University and its Associate of Applied Science in Health Information Technology program to other colleges as you think about your choices.

INFORMATION SOURCES

Total Program Costs: This is the total tuition, fees and average estimated textbook and equipment expense at the current tuition rate for a student attending full time who completes the minimum credit hours required for graduation. There may be a slight difference between minimum credit hours required for graduation and total credit hours required if all courses are taken at DeVry. Credit hour differences may benefit students with qualifying transfer credit.

Average Program Cost: The figure displayed is a calculation of the average tuition, required fees and textbook charges for students using Title IV aid who graduated from the program within the normal program length between 7/1/2017-6/30/2018. Please note, this figure is an average and does not represent the actual tuition, fees and books charged to each student.

Average Student Loan Debt: The figure displayed is a calculation of the average total debt (including federal, private and institutional loans) of students using Title IV aid who completed this program within the normal program length between 7/1/2017-6/30/2018. Please note, this figure is an average and actual debt amounts could vary.

Employment Outlook: To learn more about potential wage and employment for someone with a Associate of Applied Science in Health Information Technology, please visit https://www.onetonline.org/crosswalk/SOC/.
