Completion rate for first-time, full-time students (for both DeVry University and all U.S. Colleges) is the U.S. Department of Education’s measure of the percentage of students who are new to college and entered full-time in the Fall of 2016, who complete the program within 150% of program length (for a bachelor’s degree program, normal time is usually 4 years, and 150% of normal time is 6 years).
