GRADUATE CERTIFICATE IN ACCOUNTING PA

KNOW BEFORE YOU GO FACT SHEET

WHAT WILL I LEARN AND EXPERIENCE IN MY STUDIES?
You will demonstrate in-depth knowledge of accounting theory and apply that knowledge to specific accounting practices in a global economy. You will be able to conduct quantitative and qualitative business analyses, evaluate outcomes, and make recommendations for effective legal and ethical business decisions. You will know how to use appropriate software applications to develop analyses and solutions in support of business needs.

As part of your graduation requirements, you will be required to work with other students to complete a senior project focused on developing real-life solutions to business challenges.

WHAT SERVICES WILL I RECEIVE?
Services available to all students include:

Student Support Advisors help you plan your coursework and develop a financial plan to pay for your education.

Counseling, legal and financial planning services through the ASPIRE Student Assistance Program.

Career Services will guide you through the career search process as you approach graduation.

E-tutoring is available 24/7 in a variety of subject areas, including writing assistance.

PROGRAM COSTS AND STUDENT LOANS
Total program costs for a student with no transfer credits is $17,426

Average Tuition, Fees, and Books Charged: $10,393

Average Student Loan Debt: $14,535

The Fact Sheet information is intended to help you compare some information about DeVry University and its Graduate Certificate In Accounting PA program to other colleges as you think about your choices.

INFORMATION SOURCES

Total Program Costs: This is the total tuition, fees and average estimated textbook and equipment expense at the current tuition rate for a student attending full time who completes the minimum credit hours required for graduation. There may be a slight difference between minimum credit hours required for graduation and total credit hours required if all courses are taken at DeVry. Credit hour differences may benefit students with qualifying transfer credit.

Average Program Cost: The figure displayed is a calculation of the average tuition, required fees and textbook charges for students using Title IV aid who graduated from the program within the normal program length between 7/1/2017-6/30/2018. Please note, this figure is an average and does not represent the actual tuition, fees and books charged to each student.

Average Student Loan Debt: The figure displayed is a calculation of the average total debt (including federal, private and institutional loans) of students using Title IV aid who completed this program within the normal program length between 7/1/2017-6/30/2018. Please note, this figure is an average and actual debt amounts could vary.
