BACHELOR’S DEGREE PROGRAM | BUSINESS

MANAGEMENT
Specialization: Accounting

ABOUT THIS DEGREE PROGRAM

A FOUNDATION IN BUSINESS
This program features a series of essential Business Core courses to help build interdisciplinary skills critical to workplace success. These courses introduce students to key disciplines that support business careers and cover concepts related to general business principles, including accounting, marketing, management and the analytic skills that inform business decision-making.

The Business Core coursework introduces students to contemporary workplace applications. In each course, the learning experience is enhanced through activities that help students apply the course material, while shaping future education and career choices.

A PROGRAM TO FUEL YOUR FUTURE
In addition to leadership, resource management and conflict management techniques that the Bachelor of Science in Management degree provides, the accounting specialization will help you develop data analysis and business communication skills.

IS THIS PROGRAM FOR YOU?
Do you want to help make business decisions grounded in financial statements and leverage automated accounting systems? Then this management program specializing in accounting may be a good fit for you.
