BACHELOR'S DEGREE PROGRAM | BUSINESS

MANAGEMENT
Specialization: Global Supply Chain Management

ABOUT THIS DEGREE PROGRAM

A FOUNDATION IN BUSINESS
This program features a series of essential Business Core courses to help build interdisciplinary skills critical to workplace success. These courses introduce students to key disciplines that support business careers and cover concepts related to general business principles, including accounting, marketing, management and the analytic skills that inform business decision-making.

The Business Core coursework introduces students to contemporary workplace applications. In each course, the learning experience is enhanced through activities that help students apply the course material, while shaping future education and career choices.

A PROGRAM TO FUEL YOUR FUTURE
In this specialization, you will learn fundamental skills necessary to succeed as a manager in a variety of industries with a specialized focus on supply chain management, TQM, distribution and warehousing, procurement management and operations management in a global context.

IS THIS PROGRAM FOR YOU?
Are you interested in learning the fundamental skills necessary to be a manager in multiple settings where supply chain is paramount? Then this may be the program for you.
