

MANAGEMENT

ABOUT THIS DEGREE PROGRAM

BUSINESS CORE

A FOUNDATION IN BUSINESS

This program features a series of essential Business Core courses to help build interdisciplinary skills critical to workplace success. These courses

introduce students to key disciplines that support business careers and cover concepts related to general business principles, including accounting, marketing, management and the analytic skills that inform business decision-making.

The Business Core coursework introduces students to contemporary workplace applications. In each course, the learning experience is enhanced through activities that help students apply the course material, while shaping future education and career choices.

A PROGRAM TO FUEL YOUR FUTURE

In this program, you'll learn to understand competitive global business markets and develop skills for managing organizations across tech-dependent business models.

IS THIS PROGRAM FOR YOU?

Interested in pursuing a career in management but not sure where to focus? With this program, you'll be exposed to a range of coursework that can help you choose the right specialization.
