ABOUT THIS DEGREE PROGRAM

BUSINESS CORE
A FOUNDATION IN BUSINESS
This program features a series of essential Business Core courses to help build interdisciplinary skills critical to workplace success. These courses introduce students to key disciplines that support business careers and cover concepts related to general business principles, including accounting, marketing, management and the analytic skills that inform business decision-making.

The Business Core coursework introduces students to contemporary workplace applications. In each course, the learning experience is enhanced through activities that help students apply the course material, while shaping future education and career choices.

A PROGRAM TO FUEL YOUR FUTURE
In this specialization, you’ll learn to allocate financial and human resources to leverage business opportunities in health services.

IS THIS PROGRAM FOR YOU?
You’ll have a chance to develop a relevant skillset in business research, problem-solving, applied technology and resource allocation – giving you a hands-on foundation in data analysis, business operations and managerial leadership.

CAREER OPPORTUNITIES
Graduates of DeVry University’s Management program with a specialization in Health Services Management may consider, but are not limited to, the following careers:

- Medical Office Supervision
- Patient Accounting and Billing Systems
