Bachelor’s Degree Program  
MANAGEMENT  
Specialization: Hospitality Management  

ABOUT THIS DEGREE PROGRAM  
The bachelor's degree in Management at DeVry University can help you develop the management skills needed to work in many business areas and industries, such as accounting, project management, entrepreneurship, marketing, and human resources. If you’re currently employed, this can be a great way to further develop your management skills.  

Our Management degree program is designed to prepare students to meet the challenges of a high-tech, global marketplace by bringing the real world into the classroom. Through experiential projects, you can develop the skills and business acumen needed in today’s business world.  

This program is designed to accommodate students with a wide range of experiences, including those with little or no prior college education or work experience. If you have prior work or educational experience, you may also want to consider our Technical Management degree program which is available with many of the same specializations.

Programs, course requirements and availability vary by location. Some courses may be available online only. All students enrolled in site-based programs will be required to take some coursework online and, for some programs and locations, a substantial portion of the program may be required to be completed online. DeVry’s academic catalog, available via devry.edu/catalogs, contains the most current and detailed program information, including admission, progression and graduation requirements. Information contained herein is effective as of date of publishing.
DeVry University's bachelor's degree program in Management can help prepare you for the workplace with a solid business foundation. Our specialization in Hospitality Management can further focus your studies.

The field of hospitality management is diverse, spanning the industries of lodging, gaming, restaurants, tourism, meetings and events. Our curriculum can help prepare you with the skills to best pursue the breadth of available opportunities within the hospitality field.

Our specialization explores the operations and day-to-day managerial challenges and responsibilities within hospitality management. Students can learn the particulars of meeting and event management which can include venue selection, staffing, sponsorships, finance and exhibit coordination. As a student, you can study the operational and managerial practices in new and established restaurants, as well as the fundamentals of food safety. Our curriculum introduces you to the operating conditions and management responsibilities in casinos and related properties and services. In addition, you can become familiar with the many aspects of the tourism and hospitality industry.

Graduates of DeVry University's Management program with a specialization in Hospitality Management may consider careers including, but not limited to, the following:

- Casino Operations Manager
- Customer Service Representative
- Event Planner
- Hotel and Restaurant Operations Manager
- Management Consultant
- Meeting and Convention Planner
- Retail Store Manager
- Tourism Operations Manager

Applicants for jobs in this field may be subject to pre-employment screenings such as, but not limited to, criminal background checks, and drug and/or alcohol testing.

Employment in some occupations may require years of relevant experience.
