MASTER’S DEGREE PROGRAM

ACCOUNTING & FINANCIAL MANAGEMENT

Emphasis: Certified Public Accountant Exam Preparation

ABOUT THIS PROGRAM

The Master of Accounting & Financial Management (MAFM) program emphasizes coursework – taught from the practitioner’s perspective. Students pursuing this program will explore topics such as accounting, auditing standards and financial accuracy. This program is ideal for students interested in developing the skills necessary for a career transition to the field of accounting or finance.

The CPA emphasis includes career-focused coursework designed to prepare students for a variety of professional fields in accounting. Students will explore topics such as accounting, auditing standards and financial accuracy with an emphasis on the CPA designation. Certified Public Accountants (CPAs) ensure the accuracy of financial statements, adhere to tax guidelines, and other reporting responsibilities within organizations. The CPA designation is recognized as one of the accounting industry’s most recognized and respected credentials.

CAREER OPPORTUNITIES

Graduates of DeVry University’s Keller Graduate School of Management Accounting & Financial Management degree program with a Certified Public Accountant Exam Preparation emphasis may consider, but are not limited to, the following careers:

- Accountant
- Accounting Manager
- Auditor
- Financial Analyst
- Public Accountant

Credits and degrees earned from this institution do not automatically qualify the holder to participate in professional licensing exams to practice certain professions. Persons interested in practicing a regulated profession must contact the appropriate state regulatory agency for their field of interest. For instance, typically 150 credit hours or education are required to meet state regulatory agency education requirements for CPA licensure.
