ABOUT THIS PROGRAM
A PROGRAM TO FUEL YOUR FUTURE
The Master of Information Systems Management with a concentration in Data Administration and Management program focuses on managerial concepts and tools for systems development, implementation, management and security, as well as examination of database concepts, components and management issues.

When you choose to pursue the data administration and management concentration, specialized coursework helps you to develop the knowledge and skills needed to administer databases, support data-driven applications, leverage business intelligence systems and manage data across an enterprise. Students will learn to direct how information is collected, stored, organized, secured and reported to support business objectives.

CAREER OPPORTUNITIES
Graduates of DeVry’s Information Systems Management master’s degree program with a concentration in Data Administration and Management may consider, but are not limited to, careers such as the following:

• Data Security Analyst
• Data Security Manager
• Information Systems Security Analysis
• IT Project Manager

QUICK FACTS

ACCREDITATION MATTERS
Keller’s Master of Information Systems Management program has achieved voluntary accreditation from the Accreditation Council for Business Schools and Programs (ACBSP, www.acbsp.org), demonstrating that it has met the standards of business education that promote teaching excellence.

ACCELERATE ON YOUR SCHEDULE
Choose the schedule that best fits your goals and commitments. With at least 9 credit hours of qualifying Prior Learning Credit and an accelerated schedule, you can earn your Master’s Degree in as few as 1 year 4 months.

Or, follow a normal schedule and complete your program in 2 years 6 months.

*Accelerated time to complete requires at least 9 credit hours of Prior Learning Credit. Assumes completion of 3 semesters, enrollment in an average of 10 credit hours per semester and continuous, full-time year-round enrollment with no breaks per 12-month period.

**Normal time does not include breaks and assumes 3 semesters of year-round, full-time enrollment in an average of 6 credit hours per semester per 12-month period.
# Information Systems Management | Concentration: Data Administration and Management

## PROGRAM

### PROGRAM CORE
- HRM587 Managing Organizational Change
- LEAD510 Digital Leadership
- MATH534* Applied Managerial Statistics
- MGMT591 Leadership and Organizational Behavior
- MISS40* Innovation Through Technology
- PROJ586 Project Management Systems

### TECHNOLOGY CORE
- MISS81* Systems Analysis, Planning and Control
- MISS82* Database Concepts
- MISS89* Networking Concepts and Applications
- MIS601 Technology Management Capstone
- SEC571* Principles of Information Security and Privacy

### CONCENTRATION
- BIAM500 Applications of Business Analytics I
- BIAM510 Applications of Business Analytics II
- MISS62 Database Programming and Applications
- MISS63 Business Intelligence Systems

## WHAT YOU’LL LEARN

### PROGRAM CORE
- Explore the alignment of organizational vision with structure, processes and culture
- Examine the inter-and intra-personal dynamics as they affect achievement of corporate goals
- Identify opportunities for technology innovation
- Manage projects and execute project tasks with respect to information systems

### TECHNOLOGY CORE
- Leverage systems analysis, planning and control in operations
- Describe organizational database needs
- Examine applied network configurations
- Apply information security and privacy principles

### CONCENTRATION
- Construct data-based models and examine their impact on major business functions
- Design relational databases and build large database applications including tables, queries, forms, reports and macros
- Examine the features and programming of SQL extensions supported by Oracle and Microsoft SQL server
- Explore models of business intelligence and data support system design of data warehousing and data mining concepts

*Students may be eligible to waive up to five courses (15 credit hours) upon review of their undergraduate degree. Course waiver availability varies by location. See Course Waivers for details.
