ACCREDITATION MATTERS
Keller’s Master of Public Administration program has achieved voluntary accreditation from the Accreditation Council for Business Schools and Programs (ACBSP, www.acbsp.org), demonstrating that it has met the standards of business education that promote teaching excellence.

MASTER’S ADVANTAGE
If you’ve earned an undergraduate degree in Business, Technology or a degree with a technology specialization you may be eligible to waive up to three courses (or nine credit hours). We call this our Master’s Advantage. With these course waivers¹, you can earn your graduate degree with fewer courses, allowing you to put master’s degree to work for you even sooner.

FLEXIBILITY TO FIT YOUR LIFE
Whether you’re balancing a job, family duties, or both on top of your studies, Keller’s flexible learning options allow you to tailor your experience to fit your life – and your professional goals. Study 100% online or take classes at one of our campus locations with our hybrid format. Classes start every 8 weeks, so you can advance your education when and where it makes sense for you.

TWO-IN-ONE
Earn your Master’s in Public Administration with an emphasis in Healthcare Management and get a Health Services Management Graduate Certificate along the way.²

¹Eligibility and application of course waivers varies based on the type of course waiver credit earned, the student’s enrolled location and/or the student’s state of residence. For more information, please refer to the Course Waiver section of the Keller academic catalog.
²For the Health Services Management certificate program, every course counts towards the Master of Public Administration program with a concentration in Healthcare Management. At the time of application to the next credential level, an evaluation of qualifying transfer credit will occur and the most beneficial outcome will be applied.
³The University’s Master’s in Public Administration (MPA) with an emphasis in Healthcare Management program is not designed to prepare graduates for nursing home, assisted living facility, long-term care or home care administrator positions. Students interested in practicing a regulated profession must contact the appropriate state regulatory agency for certification or licensure requirements.
