MBA: Business Administration (MBA)
Concentration: Information Systems Management

About This Degree Program

A Program to Fuel Your Future

Learn to lead forward. The Master's Degree in Business Administration (MBA) program focuses on helping you build the skills needed to closely evaluate business situations. Take your leadership skills to the next level by tailoring your MBA with an Information Systems Management concentration.

By electing an Information Systems Management concentration, you will build skills to implement, maintain and upgrade networks as well as to deploy new technologies.

Career Opportunities

Graduates of DeVry University’s Keller Graduate School of Management MBA program with a concentration in Information Systems Management may consider, but are not limited to the following careers:

- Database Manager
- Information Systems Analyst
- Information Systems Manager

What You’ll Learn

Core MBA

- Develop leadership skills to promote future-forward solutions for organizational success
- Collaborate in a dynamic work environment to support community in a global environment
- Analyze data to help make informed business decisions
- Analyze business opportunities, risks and options to manage financial resources
- Identify opportunities for technology innovation within organizations
- Integrate managerial and technical skills to boost operating efficiencies

- Demonstrate an understanding of the design, development, and operation of a data communications system and computer network and the ability to use a networking software tool to build and analyze network models

Quick Facts

16 Courses
8 Week Sessions
6 Sessions Per Year

Accreditation Matters

Keller’s MBA program has achieved voluntary accreditation from the Accreditation Council for Business Schools and Programs (ACBSP, www.acbsp.org), demonstrating that it has met the standards of business education that promote teaching excellence.

Master’s Advantage

If you’ve earned an undergraduate degree in Business, Technology or a degree with a technology specialization you may be eligible to waive up to three courses (or nine credit hours). We call this our Master’s Advantage. With these course waivers, you can earn your graduate degree with fewer courses, allowing you to put master’s degree to work for you even sooner.

Flexibility to Fit Your Life

Whether you’re balancing a job, family duties, or both on top of your studies, Keller’s flexible learning options allow you to tailor your experience to fit your life – and your professional goals. Study 100% online or take classes at one of our campus locations with our hybrid format. Classes start every 8 weeks, so you can advance your education when and where it makes sense for you.
