

Adtalem Global Education Deployment Policy

Overview

Adtalem Global Education recognizes the many hardships military personnel and their families face every day. We understand that military students who are deployed away from their homes, families, and their permanent duty stations may experience difficulties completing their educational goals and campus/online class requirements.

We encourage military students to continue their education and assure them that the Adtalem institutions will remain flexible and responsive to their needs. In support of our deployed students, we have adopted a deployment policy for all Active Duty, Reserve, and National Guard students deployed or participating in required training for more than 14 consecutive days. For this policy, qualifying service in the US Armed Forces includes the following: active duty, active duty for training, or full-time National Guard duty under federal or state authority.
