
STATE OF CALIFORNIA ADDENDUM

July 1st, 2018 to June 30th, 2019
Effective: [Date of Signature]

A signed and dated copy of this addendum must be attached to the academic catalog and enrollment agreement/graduate registration form of every California resident enrolling at DeVry University.

Below, these paragraphs contain the institution's and student's rights and duties.

California Refund Policy, Loan Considerations, and Financial Obligations

Students have the right to cancel their enrollment agreement or withdraw from courses. In the event a student wishes to withdraw or cancel their enrollment agreement, DeVry University shall issue a pro rata refund that is no less than the total amount owed by the student for the portion of the educational program subtracted from the amount paid by the student, calculated as follows:

The amount owed equals the daily charge for the program multiplied by the number of days the student attended, or was scheduled to attend, prior to withdrawal. Except for items contained in the enrollment agreement or catalogue that are specified as non-refundable (not to be more than \$250.00), all amounts paid by the student in excess of what is owed as calculated shall be refunded.

Except in the case when an institution provides a 100% refund, any assessment paid pursuant to the state tuition recovery fund is non-refundable.

DeVry University shall also provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% (sixty percent) or less of the period of attendance.

If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. Please note, if the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

DeVry University participates in the Title IV Federal Student Aid program as well as financial aid programs in certain states. For consumer information, please visit www.devry.edu/studentconsumerinfo.

Specific Provisions for Distance Education

DeVry University registers students for online courses throughout the year. When a student is accepted and registers for a course, DeVry University grants access to this course shell for preview two weeks prior to the scheduled start date of the course.

All course materials are available to students electronically via the online course shell at the beginning of a course, whether or not the student has fully paid or has requested that all of the material be sent.

Throughout the duration of the course, students can reasonably expect a response to online submission of assignments any time after the Tuesday evening following the weekly submission deadline of 11:59 PM MST Sunday night. Other submissions (i.e. discussion board posts, etc.) completed through the course shell generally provide an immediate digital response indicating only that the transmission was completed successfully.

Withdrawal Procedure

In the event that a student decides to withdraw from classes or cancel their enrollment agreement, notice should be provided immediately in writing. This withdrawal may be effectuated by this written notice or by the student's conduct (including, but not limited to, a student's lack of attendance). Additionally, to insure timely receipt of this notice, students who wish to cancel are advised to call their student service advisor immediately upon submission of their written notice.

For the purposes of determining a refund, a student shall be considered to have withdrawn from an educational program when they withdraw or are deemed withdrawn in accordance with the withdrawal policy stated in the academic catalog.

Withdrawal Deadline

If a student chooses to cancel their enrollment agreement or withdraw from classes they may do so at any time. However, after classes begin, students wanting to withdraw from a course must formally request a course withdrawal in writing prior to Friday of week seven at 11:59pm MST.
