Information Systems Management  
Network and Communications Mgmt.  
Project Management

**Note:** A limited number of courses may be offered at the Chamberlain College of Nursing campus located at 9901 Covington Cross Drive, Las Vegas, NV 89144.

**Note:** The state of Nevada requires students to meet its requirement for study of the Nevada and U.S. constitutions. DeVry's POLI332 course fulfills this requirement.

### **Nevada Refund Policy**

**If the institution has substantially failed to furnish the program agreed upon in the enrollment agreement, the institution shall refund all money that the student has paid. If a student cancels their enrollment before the start of the program, the institution shall refund all money that the student has paid, minus 10 percent of the tuition or \$100, whichever is less. If a student withdraws or is expelled after the start of the program and before the completion of more than 60 percent of the program, the institution shall refund the student a pro rata amount of the tuition minus 10 percent of the tuition or \$100, whichever is less.**

**If a student withdraws or is expelled by the institution after completion of more than 60 percent of the term, the institution is not required to refund the student any money and may charge the student the entire cost of the tuition.**

**If a refund is owed, the institution shall issue the refund within 15 calendar days after the date of cancellation by a student, date of termination by the institution or the last day of attendance.**

**Books, educational supplies or equipment for individual use are not included in the policy described above. A separate refund must be paid by the institution to the student if those items were not used by the student. Disputes must be resolved by the Administrator for refunds on a case-by-case basis.**

**A period of a student's attendance must be measured from the first day of instruction through the student's last day of actual attendance, regardless of absences. The period of time for a program is the period set forth in the enrollment agreement. Tuition must be calculated using the tuition and fees set forth in the enrollment agreement and does not include books, educational supplies or equipment that are listed separately from the tuition and fees.**

### **Nevada Graduate Level Attendance Policy**

Attendance is directly tied to academic performance; therefore, regular attendance is required. Attendance is recorded daily based on each academic event. Professors may choose to include class attendance and/or participation as criteria for computing student grades. Thus, students who do not attend class regularly risk earning lower or failing grades. Absenteeism may also result in warning, advising or dismissal. Students may be dismissed (withdrawn) from the University or from individual courses for attendance violations.

### **Career Services**

Graduates of DeVry degree programs are entitled to career services to help them enter business or industry. **While employment cannot be guaranteed, the career services campus will continue to work with students after graduation.**

Anderson, Thomas  
Visiting Professor  
MBA, University of Washington

Bingue-Romano, Avril  
Visiting Professor  
MSTR, Nova Southeastern  
University

Branch, Linda F.  
Visiting Professor  
MA, University of Phoenix
