

Tennessee Legislation SB3789/HB3857 requires postsecondary educational institutions to make the following disclosure:

Credits earned at DeVry University may not transfer to another educational institution. Credits earned at another educational institution may not be accepted by DeVry University. You should obtain confirmation that DeVry University will accept any credits you have earned at another educational institution before you execute an enrollment contract or agreement. You should also contact any educational institutions that you may want to transfer credits earned at DeVry University to determine if such institutions will accept credits earned at DeVry University prior to executing an enrollment contract or agreement. The ability to transfer credits from DeVry University to another educational institution may be very limited. Your credits may not transfer and you may have to repeat courses previously taken at DeVry University if you enroll in another educational institution.

You should never assume that credits will transfer to or from any educational institution. It is highly recommended and you are advised to make certain that you know the transfer of credit policy of DeVry University and of any other educational institutions you may in the future want to transfer the credits earned at DeVry University before you execute an enrollment contract or agreement.

My signature below certifies that I was given the required disclosures prior to executing an enrollment agreement.
