

ACCOUNTING CERTIFICATION PREPARATION

Option: Certified Public Accountant Exam Preparation

ABOUT THIS DEGREE PROGRAM

The Accounting Certification Preparation graduate certificate program is designed for those with an undergraduate degree or concentration in accounting or finance who wish to advance in the field and seek professional licensure.

In this program, students will complete coursework designed to help students prepare to pursue the Certified Public Accountant (CPA) exam. In addition, students have the flexibility to choose coursework in financial accounting, taxation, analytics and more.

CAREER OPPORTUNITIES

Graduates of DeVry University's Accounting Certification Preparation graduate certificate program with a Certified Public Accountant (CPA) Exam Preparation emphasis may consider, but are not limited to, the following careers:

- Accountant
- Accounting Manager
- Controller
- Public Accountant¹
- Manager of Financial Reporting

¹ Credits and degrees earned from this institution do not automatically qualify the holder to participate in professional licensing exams to practice certain professions. Persons interested in practicing a regulated profession must contact the appropriate state regulatory agency for their field of interest. For instance, typically 150 credit hours or education are required to meet state regulatory agency education requirements for CPA licensure.
